Booking Notes:

IMPORTANT INFORMATION PLEASE READ CAREFULLY

ACCURACY OF INFORMATION – First and last names on your Reservation Form must be exactly as they appear on required identification. Boarding may be denied if first and last names on reservations do not exactly match passenger identification and no refund will be issued.

TERMS AND CONDITIONS – The cruise line's terms and conditions, including cancellation policies, documentation, and related requirements, apply. A copy of the cruise line's terms and conditions will be sent to you upon request. It is important to carefully read and understand the cruise line's terms and conditions.

FEES & TAXES – Departure fees and taxes are included in the prices listed on the cruise flyer. Cruise Brothers has no control over these fees and taxes. They are imposed by the cruise line and/or responsible government agency, and are subject to change up to the time of departure.

IDENTIFICATION REQUIREMENTS – A valid passport is the highly recommended form of identification for all travel, and is required for non-US citizens. US citizens traveling on most cruises originating from and terminating in the same US port, such as this cruise, are not required to have a passport. If you have a valid passport, that is the only identification required. If you do not have a valid passport, the required forms of identification are an original or certified birth certificate AND a government issued photo ID (driver's license). If the name on your birth certificate does not match the name on your driver's license, you will be required to have documentation showing why the names are different, ie: a marriage certificate. Regulations are subject to change. It is the responsibility of each passenger to confirm identification and other documentation requirements (www.travel.state.gov) and to have the required identification and documentation in his/her possession when checking in for a cruise. Without proper identification and documentation, boarding will be denied and no refunds will be issued.

CANCELLATIONS – Cancellation requests must be made in writing to Cruise Brothers and signed by the individual who made payment for the cruise. Cancellations are subject to cruise line cancellation penalties, which may be in effect prior to the final payment date for the cruise.

TRAVEL INSURANCE – Travel insurance is highly recommended, as it provides medical coverage and other protection in the event a trip is canceled or interrupted due to covered circumstances.

FINAL PAYMENT – Payment must be received by Cruise Brothers no later than the date specified on the Cruise Invoice sent to confirm each reservation. The cruise line may cancel cruise reservations if payment is not received on time.

CRUISE DOCUMENT AVAILABILITY – Carnival Cruise Line uses electronic cruise documents/tickets (e-docs). E-docs are generally available approximately three to four weeks prior to the cruise departure date, and are e-mailed to the addressee designated on the Cruise Invoice. If requested, Cruise Brothers will print e-docs and mail them via the United States Postal Service to the addressee designated on the Cruise Invoice.

AGENCY DISCLAIMER – Cruise Brothers acts solely as a general booking agent for the purpose of processing bookings and reservations with various cruise and travel suppliers. Neither Cruise Brothers nor Houston Diesels has control over the travel suppliers, the fares they charge, their policies or procedures, the scheduling of their services, or their method of providing services. Neither Cruise Brothers nor Houston Diesels shall be responsible or liable in any way for any breach of contract or any omission, loss, damage, delay or injury to any passenger in relation to the cruise or any other travel related arrangements.
